

we wanted to say thanks for visiting

We hope you're enjoying your free trial of clariti® 1 day.
They're great contact lenses for a lot of reasons:

- ✓ **Made of silicone hydrogel** – the healthiest¹ lens material
- ✓ **Everyday value**² – a great way to get into 1-day lenses
- ✓ **Same great lenses - now net plastic neutral**³ – so by simply wearing a lens you'll love, you'll get all the benefits of a 1-day lens while supporting a **brighter future for our planet**

Don't forget the positive impact you're making when you purchase clariti® 1 day, **the first net plastic neutral contact lens**⁴:

For every box of clariti® 1 day distributed in the United States since January 2021, CooperVision® has partnered with Plastic Bank® to collect and convert an equal amount³ of plastic through their global network³.

Plastic waste collectors in coastal communities receive a premium for the materials they collect that helps them provide for basic family necessities.

So it's good all around.

Ready to purchase clariti® 1 day and
