

CooperVision's Patient Rebate Experience is Contactless!

CooperVision patient rebates are completely:

- **Contactless**
- **Online**
- **Mobile-friendly** (easily upload photos from a smartphone)

The entire process is digital, from the submission to the fulfillment of the payment for the patient. Simply email your patients this digital copy of the rebate or post to your website. Patients can submit everything electronically and, once approved, they can receive a virtual prepaid card.
