

Continue to Meet Your Customers' Needs.

FREE CONTACT LENS DELIVERY FOR YOUR PATIENTS

Did you know that 88% of consumers would prefer to have their contact lenses delivered directly to their home rather than pick up in-office?¹ To help you meet your customers' needs, CooperVision is offering free shipping with the purchase of any two multipacks of CooperVision contact lenses shipped directly to patients on your behalf.

Our main priority at CooperVision is to continue to support your practice and contact-lens wearing patients as we look to rebuild our industry, and this program will help you:

Keep contact lens revenue in your practice

Provide a convenient and cost-effective way to ensure your patients get the lenses they need
