

Biofinity[®] toric

Remarkable visual performance.
Premium all-day comfort.

If you have astigmatism and demand exceptional quality, try Biofinity[®] toric lenses by CooperVision, a world leader in toric contact lenses. Biofinity[®] toric is the most prescribed toric lens on the market² and offers a remarkable balance of comfort, breathability and excellent visual performance.

They feature a dependably stable fit. And they're made with CooperVision[®] Aquaform[®] Technology which provides 100% of the oxygen your eyes need* to help them stay healthy³, and give your eyes premium comfort throughout your busy days.

The features you'll love

- Optimized Toric Lens Geometry[™] is a multifaceted design that ensures a stable fit and minimal lens movement.
- Aquaform Technology locks in water—so you can have incredible comfort all day long—and helps your eyes stay clear and white, by delivering the oxygen your eyes need.*
- Smooth rounded edges enhance comfort by minimizing interaction between your contact lenses and your eyelids.

Ask your Eye Care Practitioner if a free trial of Biofinity[®] toric would be right for you.

Please note that free trial does not include eye exam or fitting fees.

* During daily wear.
