

MyDay[®] daily disposable toric

High-performing 1-day contact lenses
for wearers with astigmatism.

You demand more from your toric contact lenses: Beyond clear, stable vision, you insist on extraordinary comfort to help you stay on top of your high intensity lifestyle. MyDay daily disposable toric lenses are manufactured by CooperVision, a world leader in toric contact lenses. MyDay lenses are our softest 1-day silicone hydrogel lenses ever* and are the world's first 1-day contact lenses made with CooperVision Aquaform[®] Technology to keep your eyes looking clear and white and feeling comfortable all day long. With MyDay daily disposable toric, you're ready to take on your day.

**Ask your Eye Care Practitioner if a
free trial of MyDay[®] toric would
be right for you.**

Please note that free trial does not include eye exam or fitting fees.

The features you'll love

- Optimized Toric Lens Geometry[™] incorporates special design features to provide predictable orientation and stable fit for consistently clear vision.
- Aquaform Technology locks in water—so you can have incredible comfort all day long—and helps your eyes stay clear and white, by delivering the oxygen your eyes need.[†]
- UV blocker helps protect your eyes against the transmission of ultraviolet rays, helping support your eye health.[‡]
- Convenient daily replacement schedule with no cleaning required, so you're always good to go.

* Compared among CooperVision 1 day silicone hydrogel contact lenses. Data on file.

† During daily wear.

‡ Warning: UV-absorbing contact lenses are not substitutes for protective UV-absorbing eyewear, such as UV-absorbing goggles or sunglasses, because they do not completely cover the eye and surrounding area. Patients should continue to use UV-absorbing eyewear as directed.
