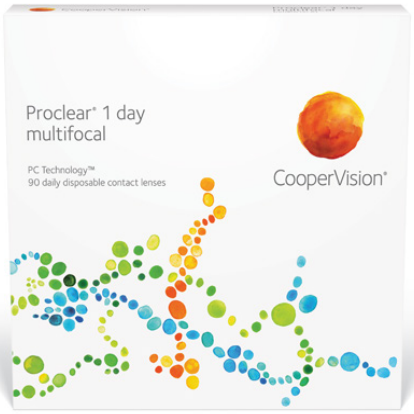
Proclear® 1 day multifocal

CooperVision®
Live Brightly®

Convenience and comfort for multifocal contact lens wearers who experience dry eyes due to lens wear.



If you love the convenience of daily disposable multifocal contact lenses but are experiencing eye dryness and irritation during lens wear, CooperVision® Proclear® 1 day multifocal contact lenses may help. They're made with PC Technology™ which was specially created for contact lens wearers like you; it binds water to your lenses, helping them remain fresh and comfortable all day long. Focus on life and not on your contact lenses with Proclear®.

The features you'll love

- The unique multifocal lens design not only preserves your distance vision, but optimizes your near—and intermediate-vision as well
- PC Technology binds water throughout each Proclear contact lens, creating a shield around it, keeping the lens clean. Contact lenses stay hydrated, helping them feel moist and comfortable throughout the day.
- The Proclear lens material helps you avoid eye irritation by resisting deposit build-up over the course of your day.
- Convenient daily replacement schedule.
